NCDXF ---> At its annual board meeting at the Visalia International DX Convention last weekend, the Northern California DX Foundation elected two new directors (Kip Edwards, W6SZN and John Miller, K6MM), bringing the board compliment back to eleven members. W6OAT and K6ANP recently retired after many years of dedicated service to NCDXF. [TNX W0GJ]

QSL EK6LP ---> RN4LP is the new QSL manager for EK6LP. QSL direct only to Vladislav V. Lakeev, P.O.Box 208, Dimitrovgrad, 433512, Russia. [TNX RN4LP]

SOUTH ORKNEYS 2011 ---> The Microlite Penguins DXpedition team (9V1YC, I8NHJ, K0IR, K9ZO, N0AX, N1DG, N4GRN, N6MZ, ND2T, VE3EJ, W3WL, W7EW and WB9Z) will be activating the South Orkney Islands (AN-008) from 27 January to 8 February 2011. Safe and reliable Antarctic transportation has been secured by the experienced RV Braveheart, and activity will be on all HF bands 160m-10m using SSB, CW and RTTY.

"Those who have enjoyed our operations over the last 8 years", they say, "may recall that our methods and philosophy are somewhat different from other DXpeditions. Though our overall goal is still to provide a new DXCC entity on as many bands and modes as possible, we also strive to increase the fun factor by focusing on operational simplicity and radio skill.

In the past we kept the Microlite Penguins DXpeditions non-commercial and confined the financial burden to ourselves and a single sponsor, the NCDXF.

But today, with the astronomical cost of Antarctic travel and a budget approaching USD 300,000, this single-sponsor approach is no longer a reality. To make this DXpedition happen, we must break our tradition and ask for support of the entire amateur radio community. All financial support, no matter what the amount will be welcome". DXers, clubs and foundations can donate online - please visit www.vp8o.com

WWROF ---> The World Wide Radio Operators Foundation (www.wwrof.org) has been created as "an independent organization devoted to the skill and art of radio operating", with a focus on contesting. "We believe that amateur radio contests provide a means of testing operating skill", they say, "and that worldwide contest sponsors can benefit from the support we can provide". [TNX The Daily DX]
